An action and fun packed weekend commencing with a **Red Dress run** on **Friday 31st May** in and around the "Honest Toun" of Musselburgh on the outskirts of the historic city of Edinburgh finishing with more celebrations at the Musselburgh Rugby Club. This will require a stop at various hostelries enroute so bring your purse and keep some for the charity box! Get into your tent and go to sleep unless you prefer more salubrious accommodation which is eminently available. (See below)

Rise on **Saturday 1st June** after a night under the stars (or in your hotel or bunkhouse) to the smell of a fully cooked breakfast (or cereal if you prefer) which can be eaten inside or outside in the sun (the RA has guaranteed it!)(May is typically a very good month in Scotland) and prepare yourself for a journey to the countryside where you will have the choice of a ballbreaker, medium or short run through and around woods and rivers ending up at the famous Stewarts Brewery (real ale and craft beer award winning specialist) where we will spend a couple of hours before bus back to Musselburgh Rugby Club where we change for dinner and evening frivolities including a stage show and some music to dance the night away.

Waken on **Sunday 2nd June** to the smell of that breakfast again followed by the 2000th EH3 Run from the Rugby Club through the outskirts of Musselburgh and through villages and countryside and back to the Rugby Club where a BBQ awaits.
