Linger longer and languish in Leith

	Question	What Three Words	Answer
	Make your way to The Shore Find the anchor, look no more.	holly.goes.calculating	
	Here you start on your lockdown run Returning back with answers done		
	First cross the water, take in the view Avoid the pathway, press on the noo.		
	Ahead toward the bar on left hand side Before this take a turn on Quayside		
1	<i>An ancient kirk now lies in view In what year was this built as new?</i>		
2	<i>Retrace your steps back to Coburg Street Glance up to the right - whom might you meet?</i>		
	Next locate the dead centre of North Leith Look around and grit your teeth		
3	<i>To see or not to see there is no doubt A man lies here who helped them out?</i>		
4	<i>Further on and 1982 marks the date But what does it commemorate?</i>		
5	<i>Next you will come to lights, please take care What is depicted on the mural over there?</i>	chop.tender.onions	

	Noo, see thon brig, big and wide Here you must cross o'er to the other side		
6	<i>Once a cinema, art deco too Now being developed by who?</i>		
	Continue straight on past the loos Nothing to spot here, you can choose		
7	<i>A clock ahead will show the time Write it down, is it fine?</i>		
	Look out for a lane with royalty in mind Down this lane you must now wind	season.ground.voices	
8	<i>Look high on a building for a plaque with a name Whose honour does it proclaim?</i>		
9	<i>Look again for another this time in stone Who was it sat on the throne?</i>		
10	<i>And yet a third with crest and date What year does it narrate?</i>		
11	<i>Exit right to Mill Lane to find a listed structure Made famous in which moving picture?</i>		
12	<i>Bear left and right and then cross with care The Vaults are old, how long there?</i>		
	Now, no need to walk for miles Simply follow the street named Giles		
	Then find no 35 by which you may Go under the facing archway		
	Next and without a care Proceed up the stair		
	A second archway lies at the end Now go through and round the bend	traded.dogs.shower	
13	<i>Through the lights stands a police station What was its initial incarnation?</i>		

14	<i>Now on the left is something special More at home upon a vessel?</i>		
	Straight ahead till green space You are now on Links Place		
15	<i>On the left a piece of retail history to locate Now look carefully to name and date</i>	<i>acting.occurs.shells</i>	
16	<i>Golf's my game But whats my name?</i>		
17	<i>Cross the green toward a mound What on earth have you found?</i>	<i>appeal.output.jump</i>	
18	<i>A light yellow shed will next appear What club is to be supported here?</i>		
19	<i>Buy a snack from this van Is he a true Scotsman?</i>		
20	<i>Further on front a school for education Pupils here face what segregation?</i>		
21	<i>Press on don't be dismayed What two other sports can be played?</i>		
	Moving on, take the incline That will do just fine	beard.rewarding.apron	
	On what was once a railway Head for Hibs dare I say		
22	<i><u>Over</u> the bridge we now go What number to Portobello?</i>		
	Time for a run If only for fun		
	Grave matters on the right Please do not take fright		
23	<i>The chimney over the bridge is no joke What burns here to make you boke?</i>		

	Run again if you must but not too hard Stay on tarmac for some 200 yards		
24	<i>A sign at last to mark the route Easter Road is how far on foot?</i>		
25	<i>Here might be found manure Who do you call to make secure?</i>	<i>employ.manage.oasis</i>	
26	<i>A mannequin soon appears beside us What on earth can be its purpose?</i>		
	Mind your head as you go beneath Stay on trail avoiding grief		
	Bridge to bridge there are no clues A chance to sprint and banish the blues		
27	<i>Here a bridge too far? Name the Manufacturer?</i>		
28	<i>Next a sports field on the right How many goalposts are in sight?</i>		
	Before the end of this lane You must negotiate a chicane		
	At last the path end in sight Soon you will be turning right		
	This is Easter Road at last Soon a bus stop you will pass		
29	<i>Which buses do I take If I am to the city to make?</i>	<i>torch.light.report</i>	
	Continue in this direction Until you reach the intersection		
30	<i>Here a church with light by its door Honours the fallen of which war?</i>		
	Cross with care, no time to lark Once again you are in the park		

	The middle path is the one to travel Straight ahead and on the level		
31	<i>Another mound in all its glory Pray tell what's the story?</i>	<i>affair.carry.tiny</i>	
	In front you will see a hedgerow Hard left here is the way to go		
32	<i>A stone plinth here is erected A centenary of which is recollected?</i>		
	Then cross a road not once but twice Take in the view how nice		
	By barren ground an alleyway Its all too simple I hear you say		
33	<i>Spot a building in your direction What is the 007 connection?</i>		
	Finally turn right down Constitution Trams here a supposed solution	pounds.simple.fame	
34	On the right is old signwriting to behold Whose name is spelled - not in bold		
	Left at lights - way look familiar? Take Water Street don't linger		
	Maritime Bond bears no blue plaque It should as once lived here Big Mac		
35	<i>Lambs House is now in view Flag flying here is of who?</i>	<i>dating.token.defeat</i>	
	The last lap down Burgess Harbour ahead more or less		
	Left will restore Anchor once more		
	You have reached the end – somewhat wiser I look forward to your review on Trip Adviser
